Nissan Forklift

Nissan Forklift Training Ottawa - Nissan Motor Co. Ltd prides itself on attaining complete customer fulfillment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and detail-oriented quality values to their customers. Incorporating a fruitful heritage combined with resilient processing principals, Nissan lift trucks offer some of the best materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering consumer support, the business has four separate manufacturing facilities that allow them to continually adapt to their customers continually evolving needs by offering a variety of modern ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to maintain environmental accountability by using techniques and processes that limit their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their consumers require whilst being an environmentally aware corporation.

Nissan is quite convinced that any of their clients queries and client worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally authorized dealers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
